MICHELIN Guide's Point of View

You'll soon forget the less-than-convenient location as you climb the few steps of this period bungalow and get your first glimpse of the restaurant. The stylish interior and Indian artwork add to its appealing feel. The menu features delicacies from across India and the kitchen uses traditional methods of preparation alongside more modern cooking styles. The 'Song's Art Palette' allows you to try a number of dishes on a single platter. Try also 'flambé leg of lamb' which is prepared by the table.
