### MICHELIN Guide's Point of View

The owner-chef of the world-famous Restaurant André in Singapore opened RAW in his home town in 2014. The strikingly futuristic Weijenberg-designed interior features two gigantic pine wood organic forms that lend the faux industrial space a back-to-nature feel. The 9-course prix-fixe menu showcases chef Chiang's creative take on Taiwanese cuisine with the occasional street food influence - expect modern presentation and a stimulating blend of flavours, textures and temperatures.
